WELCOME LETTER

Dear Valued Customer,

We appreciate your business! This is your Return Kit from Eckert & Ziegler, intended for the return of your Eckert & Ziegler Radiopharma GalliaPharm $^{68}\text{Ge}/^{68}\text{Ga}$ generator. Please read all instructions before completing the forms 2a and 2b.

This kit is designed to help you return your GalliaPharm $^{68}\text{Ge}/^{68}\text{Ga}$ generator as a [UN2915 – Yellow II Package](#).

The following forms and labels are included in this kit to assist with your return:

- **Sheet 1** – Welcome Letter (this page)
- **Sheet 2**
 - a) Emergency Response Information
 - b) Return Packing List/Disposal Receipt Form
- **Sheet 3** – UN2915 — Yellow II Package Return Instructions
 - Yellow II labels
 - Cargo Aircraft Only labels
 - 3 blank sheets of candy striped 8-1/2" x 11" paper for your Shipper's Declaration
 - Declaration for Dangerous Goods – Generator sample
- **Return Authorization Label**

Please note that there should be sufficient labels to enable multiple boxes to be returned with the same RA#.

Attention: Please go to www.ezag.com/disposal for the Shipper's Dangerous Goods template and for additional assistance as needed.

If you are unable to access our website, please call the Eckert & Ziegler Radiopharma GmbH for assistance between 8:00 am and 4:00 pm CET at +49 30 941084 280 or GalliaPharm@ezag.com.

Returns are only accepted at 1800 North Keystone Street, Burbank, California, 91504 in accordance with Eckert & Ziegler Isotope Products' Radioactive Materials License #1509-19.

Thank you for choosing Eckert & Ziegler, we look forward to our continued partnership and fulfilling all your source needs!
