

2025 Cross Check Program Schedule - Now shipping internationally, where possible

If you would like to participate in our ISO 17043:2010 accredited [proficiency test](#), 'PT', program for 2025, please email our customer service department at isotrakUSA@ezag.com or contact us at 1-404-352-8677 at your earliest convenience and we will prepare a quotation. If you would like to receive the same products and delivery schedule as your current samples, please include this information in your email as well. To ensure your 2025 samples ship on the standard schedule below, please submit your purchase order no later than 7 weeks in advance of the ship date except as noted below.

For 1st quarter participants, we need your PO no later than January 2nd to ensure shipment the week of February 7th.

Radiochemistry Cross Checks (HCC)

1st quarter- Ships the week of February 7th

2nd quarter- Ships the week of May 9th

3rd quarter- Ships the week of August 8th

4th quarter- Ships the week of October 31st

For 1st quarter ECC cross check samples, please have the PO submitted by January 20th to ensure shipment the week of March 13th.
